

Individuals with a plan of study written prior to 2017 and those with a plan of study written effective July 2017 will find optional courses on this template. This template reflects the 2017 NC State Board of Education changes. New elective competencies are listed with blue highlighting, while competencies that were dropped in the 2017 policy changes are listed at the bottom with orange highlighting. Elective competencies located in the middle section with no highlighting apply to both plans, before and effective July 2017. Refer to your plan of study to ensure correct courses are completed.
